

Our Vision

To consistently deliver excellence in everything we do.

Our Mission

To be trusted as the go-to provider for mining and civil solutions in the Kimberley region.

Our Values

Care:

We value and prioritise the health and wellbeing of our people.
We operate with uncompromising regard for the safety of everyone we interact with, and the preservation of the environments we operate in.

Integrity:

We operate honestly and ethically.
We do the right thing & act with fairness.

Accountability:

We do what we say we will.
We own our decisions, actions, performance and outcomes.

Respect:

We recognise the benefits of an inclusive & diverse workforce.
We show respect to the communities and lands on which we operate.

Innovation:

We operate with agility, and embrace challenge, growth and change.
We develop innovative solutions to achieve exceptional outcomes.
